The U. S. Army Corps of Engineers, Kansas City District, intends to issue a solicitation for the design and construction of facilities at Darulaman for the CAPDIV, Afghan National Army (ANA) in Kabul Province, Afghanistan. The solicitation will be available on or about 09 March 2011 on the FedBizOpps website at www.fbo.gov. The Proposals will be due approximately 30 days later. The solicitation, including any amendments, shall establish the official opening and closing dates and times.

The project is defined as providing the design, materials, labor, and equipment to construct buildings, parking, utilities, and other infrastructure for a population of approximately 4000 -5000 personnel. The intent is to provide permanent basing standards utilizing metal arch span type of construction. The project is composed of barracks, administrative space, training classrooms, and all associated appurtenances as applicable to include utilities infrastructure. The facilities included within this contract will be:

Five Barracks
Two Administration facilities
Three Latrines
Two Vehicle Maintenance Buildings

Eight Motor Pools
Two POL Storage Buildings
Two Literacy Classrooms
MWR Building

The supporting facilities will include roads, parking areas, and foot paths. All service line utilities shall be tied into existing base infrastructure (water, waste water and electrical). Roads and parking areas should be able to withstand 18,000-kg (20-ton) vehicles.

In accordance with FAR 36.204 and DFARS 236.204, the estimated magnitude of this construction project is: between \$10,000,000 and \$25,000,000.

The period of performance for this acquisition is 365 calendar days from the issuance of Notice to Proceed (NTP).

Award will be made to one (1) offeror who is deemed by the Government to be responsible in accordance with Federal Acquisition Regulations (FAR), conforms to the solicitation requirements, and whose proposal, judged by an overall assessment of the evaluation criteria and other considerations specific to the pending solicitation, represents the best value to the Government. The source selection process to be utilized for this acquisition is Best Value. The submission requirements and evaluation criteria will be defined within the Solicitation.

HOW TO OBTAIN A COPY OF THE SOLICITATION - - -

The Request for Proposal (RFP) will only be issued to prime construction contractors. Copies will not be released to suppliers, subcontractors, plan rooms, home addresses, or Google accounts. To view or download the solicitation requires registration at the Federal Business Opportunities (FBO) website at <http://www.fbo.gov>. Downloads are available only through the FBO website and a file transfer protocol (FTP) website. The Government will post the RFP and specifications on the FTP and FBO site and it will be password protected. Any amendments will only be available from the FBO website.
